PLAYLAB AT MURA

2025 JULY 14TH, 15TH & 16TH

Introduction to Game Development

Are you ready to dive into the exciting world of coding and game design this winter holiday?

Join the Play Lab @ MLYCC!

Over three fun-filled days, work in teams, unleash your creativity, and learn the basics of game development as you build your own video game from scratch.

This workshop is FREE, interactive, and designed for aspiring young coders like you!
